

# Leather Tab 042 for iPhone

Clean Lines, Classic Styling

Part # F8Z633

Clean Lines, Classic Styling

## A Window to Your Device

Get an iPhone case that's an extension of your sophisticated personality. Genuine leather combines durability and elegance, while the fold-over closure tab adds an extra level of security. A clear window for incoming calls gives you the visibility you need without sacrificing protection.

## Protection from the Inside Out

The durable, structured leather and soft microfiber inner lining is a great way to keep your phone's surface free of scratches and scuffs, with no added bulk.

## Features

- Genuine leather protection
- Secure tab closure
- Incoming call window
- Soft microfiber inner lining
